# Sunday Services at Wellington Square...

## **All Age Service**

*(First Sunday in the month)*

On the first Sunday in every month we stay together throughout the service. This is to help us worship God across the generations and brings us closer as a group of people. During the service we have a variety of activities, a shorter talk, puzzle pages for the kids, singing, perhaps the puppets will make an appearance!

Each of our services include prayer, reading from the Bible, singing songs of worship and sharing together after the service.

## **Café Style Service**

*(3rd Sunday in alternate months)*

Every other month we have a slightly different format, where we sit around tables in groups, sing some songs of worship, chat together over drinks and explore God's word through a more interactive, relaxed format.

We are keen to show that God speaks through each of us, and often in discussion and sharing together we learn much better than sitting passively and listening.

## **Worship & Teaching Service**

*(all other Sundays)*

We join together for worship for the first part of the service and then primary school aged children will have 'Square Seekers' a fun, engaging range of activities held by our trained and DBS checked teachers. The adults will enjoy relevant teaching connected to real life, rooted in the Bible.

On the fourth Sunday this service will include communion, where anyone who loves Jesus as their Lord is welcome to come and share a simple but meaningful remembrance using bread and (non-alcoholic) wine.

## **The overall goals of Sunday services are threefold:**

1. To share the Gospel - telling the good news about Jesus in a way that is understandable and accessible to all.
2. To encourage and equip us as people trying to follow Jesus, to refresh and inspire us for our journey with God in the place where He has put us
3. To empower all of us to worship, to bless each other and gain in confidence in Him.
